

FAST PASS FAQ'S

Thank you for registering for our 2024-2025 season evaluations! Top Gun Orlando offers the Fast Pass option for returning full-year team members who wish to remain on their same team for the upcoming season. Athletes who choose to Fast Pass will not attend an in person evaluation. If you are considering the Fast Pass option, please read through the information below!

Who is eligible to Fast Pass? Any returning full-season athlete on a level 1-4 team. Athletes who wish to change teams or levels will need to attend an evaluation.

If my child ages off their current team, can they still Fast Pass? Athletes who age out of their current division will need to attend an in person evaluation so we can evaluate them with their new peers.

If my child did half year, can they Fast Pass? The requirements for our half season teams differ from our full season teams. All half season athletes will need to attend an in person evaluation.

What if the team my child was on is discontinued? Although we don't foresee this happening, if your child Fast Passes a team/division that we will not be able to offer, we will place them on the next closest team.

How will I know what team I make? You will be emailed a number. When we post teams on May 23rd, your number will be posted with your team on the Top Gun All Stars of Orlando Facebook page.
